

Textures

by Davide Pizzigoni

Textures, riscoprendo il fascino dei materiali di antica tradizione come il mosaico, propone coloriture, formati e finiture essenziali per realizzare superfici e campiture policromatiche, accostandosi ad altre forme e dimensioni della tradizione ceramica.

Creatively assorting tiles of different colours and sizes, Appiani has created Opera units, Textures is a journey back in time to the fascinating, ancient tradition of mosaics, which offers colours, sizes and shapes and finishes essential to create polychrome surfaces and large areas, combining with other shapes and sizes typical of ceramic tradition.

Textures vous fait redécouvrir le charme des matériaux appartenant à la tradition ancienne comme la mosaïque. Avec ses couleurs, ses formats et ses finitions essentielles, vous réalisez des surfaces et des grandes sections polychromes, au beau milieu des formes et des dimensions de la tradition céramique.

Durch die Wiederentdeckung der Faszination von Materialien der antiken Tradition, wie dem Mosaik, bietet Textures Farben, Formate und Oberflächenausführungen, die wesentlich für die Schaffung mehrfarbiger Oberflächen und weiter Flächen sind. Dabei ist die Zusammenstellung mit anderen Formen und Formaten der Keramiktradition möglich.

Redescubriendo el encanto de materiales de la antigua tradición como el mosaico, Textures propone coloridos, formatos y acabados esenciales para realizar superficies y amplias áreas policromáticas, combinándose con otras formas y dimensiones de la tradición cerámica.

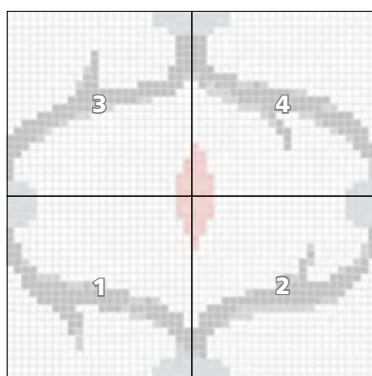

Мозаичные плиточки, которые впитали в себя воду, чтобы отражаться друг в друге и умножать свои отражения и свои сказки.

Textures重新发掘了马赛克等古老传统材料的魅力，备有各种颜色、大小和表面处理选择，可以铺设出多种颜色的地面和场所，并能与其它传统陶瓷的形状和大小和谐搭配。
