Geometrie e girali vegetali, decori a rilievo e grafiche ricercate è così che Velvet propone superfici decorate perfette per dare un tocco romantico agli ambienti. Un unico formato si abbina a tre decori diversi fra loro per concept e ispirazione per offrire nuova linfa alla personalizzazione degli spazi destinati al bagno.

Geometrical patterns and plant spirals, relief decorations and refined graphics: this is what Velvet offers in its perfectly decorated surfaces, to give a romantic touch to the surroundings. One size combines with three patterns, each one different from the others in concept and inspiration, bringing a new vitality to the customization of areas designed for bathroom use.

Géométries et enroulements végétaux, décors en relief, graphismes recherchés... les surfaces décorées de Velvet sont parfaites pour donner aux espaces une touche de romantisme. Un format unique est associé à trois décors qui se distinguent par leur concept et leur inspiration, pour donner un souffle nouveau à la personnalisation des espaces pour salle de bains.
